SUBMISSION OF TERMINAL DISCLAIMER

Sir:

    Kindly accept this submission of the enclosed terminal disclaimer in response to a telephone discussion with Examiner Reilly on January 10, 2007. Examiner Reilly indicated that a terminal disclaimer is necessary to avoid a double-patenting rejection based on pending application 10/093,579, which was cited in an IDS submitted in this application on Nov. 24, 2006. Examiner Reilly also indicated that the application is otherwise in condition for allowance. Thus, it is expected that the terminal disclaimer will be accepted and that a Notice of Allowance will be issued. If there should be any issues remaining at this point, the Examiner is respectfully requested to call the Applicant's Representative at the number below.

    Applicants hereby petition for any extension of time which may be required to maintain the pendency of this case. If there is a fee occasioned by this

response, including an extension fee, that is not covered by the fee submitted herewith, please charge any deficiency to Deposit Account No. 50-3661.

    If the enclosed papers or fees are considered incomplete, the Patent Office is respectfully requested to contact the undersigned collect at (508) 616-2900, in Westborough, Massachusetts.

Respectfully submitted,
